

TOWN OF DAVIE TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Marcie Nolan, AICP, Acting Development Services Director

PREPARED BY: Daniel J. Stallone, Esq., Code Compliance Official

SUBJECT: Application for Existing Nonconforming Vehicular Accessway

AFFECTED DISTRICT: 3

ITEM REQUEST: Schedule for Council Meeting

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA PERTAINING TO THE SUBJECT OF WHETHER TO ALLOW THE CONTINUATION OF AN EXISTING NONCONFORMING VEHICULAR ACCESSWAY IN ACCORDANCE WITH THE PROCEDURES AND REQUIREMENTS CONTAINED IN SECTION 12-292(D), TOWN OF DAVIE CODE OF ORDINANCES; DESCRIBING THE LAND AFFECTED AS ALL OF TRACTS 55 AND 56, IN SECTION 11, TOWNSHIP 50 SOUTH, RANGE 40 EAST, ACCORDING TO THE FLORIDA FRUITLANDS COMPANY SUBDIVISION NO. 1, RECORDED IN PLAT BOOK 2, PAGE 17, OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA, SAID LANDS LYING AND SITUATED IN THE TOWN OF DAVIE, BROWARD COUNTY, FLORIDA; THE EXISTING NONCONFORMING VEHICULAR ACCESSWAY BEING GENERALLY DESCRIBED AS THE 12400 THROUGH 12700 BLOCK OF SW 13TH STREET IN DAVIE, BROWARD COUNTY, FLORIDA; CONSIDERING THE APPROVAL IN CONNECTION THEREWITH OF A NON-EXCLUSIVE EASEMENT TO THE TOWN OF DAVIE FOR GOVERNMENTAL SERVICES AND A NON-EXCLUSIVE INGRESS/EGRESS LICENSE AND COVENANT TO CONVEY TO TOWN OF DAVIE; MAKING OTHER APPROPRIATE CONDITIONS IN CONNECTION WITH CONSIDERATION OF THIS MATTER; PROVIDING A SAVINGS CLAUSE; AND PROVIDING AN EFFECTIVE DATE THEREFORE. (tabled from January 16, 2008)

REPORT IN BRIEF: Staff has been meeting with the applicant and the surrounding property owners to arrive at a reasonable recommendation to Town Council that addresses the road safety issues adequately. Staff and the Town Attorney have determined that the proposed accessway cannot meet the minimum requirements as adopted by Ordinance 2007-28. However, through the variance process, the applicant can request relief from section 12-292(C) to allow more than 4 homes to share a common

driveway. The applicant will be submitting a variance application for the Town to process.

It is the position of staff that access into the site remains a safety issue. The predominant safety concerns of staff include the following:

1. Provision of a turnout (i.e. T-turn, three point turn) with dimensions as found under 12-292 which requires that a ten (10) feet by thirty (30) feet portion of pavement be provided; additionally, the appropriate Fire Department standard dimensions for the three-point turn / turnout may be applicable;
2. Lack of existing fire hydrants in the vicinity of this existing nonconforming vehicular accessway;
3. Lack of suitable right-of-way to safely pull aside a vehicle from approaching traffic vehicles due to narrowness of existing nonconforming vehicular accessway.

The agreement addresses items 1 and 3 listed above.

Previously, Town staff prepared three (3) options for consideration by the Town Council at a prior meeting.

- Option 1: Conforming roadway with nonconforming right-of-way
- Option 2: Nonconforming roadway with nonconforming right-of-way
- Option 3: Correcting fire/public safety deficiencies through public/private funding

The agreement addresses the majority of the items listed in the three options. However, even with the agreement with the applicant, the issue of the bridge and standpipes remains outstanding. The attached staff option #3 details the cost associated with the replacement of the bridge and the cost of fire standpipe wells (fire hydrants). The Town has the option of assessing the homeowners for the costs or utilizing general revenue funds for the project.

Staff's recommendation is that approval of this ordinance will not be necessary based upon the agreement reached by the Town Attorney, staff and the applicant relating to the following conditions:

1. Providing a perpetual easement for the adjacent property owners;
2. Providing a T- turn around in the middle of the accessway;
3. Dr. Chiccone providing a T –turn around;
4. Mr. Allen granting 10 feet of accessway;
5. Mr. Rodriguez cutting the brush and trees as needed on the road; and
6. Access easement is maintained;

Staff also recognizes the need for funding, either through a special assessment or other mechanism for the following:

1. bridge replaced; and
- 2 standpipes (fire hydrants).

PREVIOUS ACTIONS: The petitioner requested item to be tabled to the November 27, 2007 Council meeting. Item tabled to the December 5, 2007 Town Council meeting. Item tabled to the December 19, 2007 Town Council meeting. The Town and the petitioner agreed to request a tabling to the January 2, 2008 meeting. The petitioner requested a tabling to the January 16, 2008 Town Council meeting. The Town and the petitioner requested a tabling to the February 20, 2008 meeting.

CONCURRENCES:

FISCAL IMPACT: Yes

Has request been budgeted? No

RECOMMENDATION(S): Staff recommends the following:

1. The agreements reached between the applicant and the Town be finalized; and
2. Town Council direct staff as to the funding required for the bridge and standpipes.

ORDINANCE NO. _____

AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA PERTAINING TO THE SUBJECT OF WHETHER TO ALLOW THE CONTINUATION OF AN EXISTING NONCONFORMING VEHICULAR ACCESSWAY IN ACCORDANCE WITH THE PROCEDURES AND REQUIREMENTS CONTAINED IN SECTION 12-292(D), TOWN OF DAVIE CODE OF ORDINANCES; DESCRIBING THE LAND AFFECTED AS ALL OF TRACTS 55 AND 56, IN SECTION 11, TOWNSHIP 50 SOUTH, RANGE 40 EAST, ACCORDING TO THE FLORIDA FRUITLANDS COMPANY SUBDIVISION NO. 1, RECORDED IN PLAT BOOK 2, PAGE 17, OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA, SAID LANDS LYING AND SITUATED IN THE TOWN OF DAVIE, BROWARD COUNTY, FLORIDA; THE EXISTING NONCONFORMING VEHICULAR ACCESSWAY BEING GENERALLY DESCRIBED AS THE 12400 THROUGH 12700 BLOCK OF SW 13TH STREET IN DAVIE, BROWARD COUNTY, FLORIDA; CONSIDERING THE APPROVAL IN CONNECTION THEREWITH OF A NON-EXCLUSIVE EASEMENT TO THE TOWN OF DAVIE FOR GOVERNMENTAL SERVICES AND A NON-EXCLUSIVE INGRESS/EGRESS LICENSE AND COVENANT TO CONVEY TO TOWN OF DAVIE; MAKING OTHER APPROPRIATE CONDITIONS IN CONNECTION WITH CONSIDERATION OF THIS MATTER; PROVIDING A SAVINGS CLAUSE; AND PROVIDING AN EFFECTIVE DATE THEREFOR.

WHEREAS, the Town Council of the Town of Davie deems it appropriate to provide a procedure whereby existing nonconforming vehicular accessways may be used for such public or private purposes necessary until compliance with applicable Town standards shall be achieved and to apply certain restrictions upon such existing nonconforming vehicular accessways; and

WHEREAS, the Town Council has expressed its intent through the enactment of Ordinance No. 2007-28 whereby measures have been taken to preserve and maintain the unique lifestyle enjoyed by the residents of Davie.

WHEREAS, the applicant, Rodriguez Family Holdings Inc., has petitioned to the Town Council for the approval necessary to permit the continuing use of an “existing nonconforming vehicular accessway” according to conditions and requirements included hereinafter.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA.

SECTION 1. The foregoing “Whereas” clauses are hereby ratified and confirmed as being true and correct and are incorporated herein by this reference.

SECTION 2. Chapter 12 entitled “Land Development Code” of the Code of Ordinances of the Town of Davie, Section, 12-292 (D); created the procedure for an “existing nonconforming vehicular accessway.”

As Section, 12-292 (D) provides an applicant with the procedures to gain Town Council approval for an “existing nonconforming vehicular accessway” by meeting the applicable prerequisites and conditions imposed thereby.

The applicant, Rodriguez Family Land Holdings, Inc. has submitted the requisite information and documents in order for the Town Council to evaluate the effects of the relief found within this code section upon the health, safety and welfare of all residents affected thereby.

In respect thereof, the applicant shall comply with all conditions incorporated into the Town Council approval as so noted herein:

CONDITIONS OF APPROVAL: To be included herein

SECTION 3. All Ordinances or parts of ordinances in conflict herewith are to the extent of such conflict hereby repealed.

SECTION 4. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is, for any reason, held invalid or unconstitutional by any Court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion of this Ordinance.

SECTION 5. This ordinance shall take effect immediately upon its passage and adoption.

1. ENGINEERING DIVISION

Town Engineer Le Nguyen:

Pre-approval Engineering Report

For SW 13th Street between 12400 Block and 12700 Block in Davie, Florida

In compliance with the town's land development code, section 12-292 (D) the following Engineering Analysis shall be performed by the Town Engineering Division.

1. A pre-approval engineering inspection shall be required to be performed by the Town Engineer or its designee.
2. An alternative route analysis may be conducted by the Town Engineer

Land Description:

A 20 ft strip of land is owned by Rodriguez Family Holdings along SW 13th Street from existing culvert crossing to their eastern property line. A small portion of that strip, approximately 250 ft from the Flamingo Road's west right-of-way line is only 10 ft in width.

1. Pre-approval engineering inspection

The Town Engineering Staff have performed a site inspection on Tuesday October 23, 2007.

1.1. Existing Site Conditions.

a) Currently the only available access to Rodriguez's residence is SW 13th Street which connects to Flamingo Rd. There are 11 residential homes and two vacant lots that have been served by this access-way to their properties through a 13 ft wide culvert crossing at the Flamingo Road and SW 13th Street intersection. Recently, approximately three inches loosely compacted asphalt aggregates have

been laid on top of the existing access-way. The width of the asphalt access-way varies from 10 feet to 12 feet.

b) The new asphalt aggregates may support localized traffic. The composition of the sub- base of the access-way is unknown. The current roadway conditions limit two vehicles from safely traversing along the same paved surface. One vehicle is required to pull off the access way while the other vehicle passes. In some of the areas there is no safe area to pull aside. The culvert to access SW 13th Street only allows one vehicle to enter/exit site at any give time. This causes a circulation issue along Flamingo Road, if entering vehicle must stop to allow existing vehicle to exit through the shared culvert crossing.

The current access-way does not have a storm sewer system in place. The adjacent properties along the access way do not have a defined swale system. The storm water runoff sheet flows from access-way onto adjacent properties. The existing access-way does not meet the town roadway engineering standards.

c) Referenced Code of Ordinances:

Town of Davie Land Development Code, Section 12-292 specifies the standard design of a roadway.

1.2. Emergency Response Assessment.

There is not a turn around area for fire trucks. Two speed bumps have been also installed with new asphalt aggregate course on the existing access-way. There is no fire hydrant located within development.

2. FIRE DEPARTMENT

Fire Chief Joe Montopoli:

“This street presents a problem from [a] fire and rescue perspective. Even if private it needs to be wider and have a three point turn somewhere as well as a water source...we need to start correcting these problems” (E-mail message received 10-26-07).

Chief Fire Marshall Tony Precanico:

As I turned west off Flamingo Rd. there are two street signs, one indicating SW 13th Street and another indicating Dead End. I then crossed a bridge onto a non paved road. The width of the road is enough for one vehicle. The road then expands to possibly accommodate two vehicles, but does not meet the 20 ft. width requirement. As you continue west on 13th street, when you get to 12500 address, the width of the road goes back to one vehicle. The road then dead ends at the 12600 address. There is no vehicle turn-around consistent with the Code. There is also a connecting road from SW 13th Street to SW 14th Street; which also dead ends. Again no turn-around consistent with the Code. There are no hydrants or wells on either street. There are a total of 9 single family

homes located in this area. I talked to two residents, one on SW 13th Street and one on SW 14th Street. They tell me that the owner of the property located at the 12600 address owns SW 13th Street and there is someone else (that does not live on either street) that owns SW 14th Street. The home owners said they have been maintaining the roads for the last 30 years (E-mail message to Fire Chief Montopoli dated 10-25-07, forwarded to Code Compliance on 10-26-07).

3. PUBLIC WORKS DEPARTMENT

Public Works Director Manny Diez:

Director has concerns related to the nonconforming nature of “road” and wants condition(s) incorporated into any approval that the “road’s” conformity with Town codes should be achieved prior to Town’s ownership or acceptance of the property (E-mail message dated 10-25-07).

Dear Don:

As you are aware, the recently approved existing nonconforming vehicular accessway ordinance contains provisions for inspections to be performed by several town agencies including the Engineering Division, Fire Department, Public Works and others.

In order to permit you and your client, Rodriguez Family Holdings Inc., to address the concerns generated by the respective agencies, I am accompanying this communication with the input that I have received from them. Of special note and concern, please be advised that both the Engineering Division and Fire Department have identified the requirements for a turnout as proscribed under Town code section 12-292(C)(4). The subject code is provided herein for your review: *"All driveways in excess of five hundred (500) feet shall provide a ten (10) feet by thirty (30) feet turnout. The exact location of the turnout shall be determined by the town with the review of the fire department."*

It is recommended that you review the applicable pre-approval inspection reports and initiate contact with the appropriate agency representatives prior to the Town council meeting on November 27.

If I may be of any assistance to you, please advise me at your earliest opportunity.

Very Truly Yours,

Daniel J. Stallone

DAVIE FIRE RESCUE
OFFICE OF THE FIRE CHIEF

TO: Gary Shimun, Town Administrator

FROM: Joseph Montopoli, Fire Chief 

SUBJECT: Flamingo Road & S.W. 13th Street, Private Residences

DATE: November 26, 2007

Attached are my concerns about the private homes that exist on a private driveway at Flamingo Road and S.W. 13th Street. The fire code is very specific about what constitutes a fire department access to a road, as it relates to the proper right of entry for the fire department at the time of emergency situations.

RE: *Item 6.2*
Rodriguez Nonconforming Access way Recommendations

CC: John Rayson, Town Attorney

Background: The town staff and the town attorney have met with the petitioner (Rodriguez Family Holdings Inc. 12000 Block of SW 13th Street) and its attorney to discuss matters and recommendations related to the resolution of the nonconforming vehicular accessway.

Options: The Town staff has prepared the following recommendations for consideration by the Town Council. There are three (3) options available in the present situation. They are:

- Option 1: Conforming roadway with nonconforming right-of-way
- Option 2: Nonconforming roadway with nonconforming right-of-way
- Option 3: Correcting fire/public safety deficiencies through public/private funding

Public safety: In all options the requirements of the fire department have been met.

“T” turn around: The costs in each option may vary due to the final section of a “ T” turn around configuration. For example, the cost of acquiring right-of-way/easements from three separate owners is greater than if one owner dedicates the easement.

Drainage and right-of-way: In all options neither roadway drainage nor the minimum 40 feet of right-of-way meet town roadway standards. In all options the roadway will be 20 feet in width.

Funding: In options 1 and 2 it is anticipated that the project will be funded from one source. This funding source can be either be Special Assessment, General Revenue, or borne by the applicant. If the funding was from a Special Assessment or the General Revenue, the Town would have to accept ownership, maintenance, and liability of the roadway, even in option 2, which remains substandard.

In option 3, the costs are delineated between public and private investment. In this option, the public costs can be either Special Assessment or General Revenue. The private costs can be shared between the property owners currently under development or by the general users of the private roadway.

Future Improvements: If the residents or the Town, at any point in the future, desire to improve the roadway beyond those items listed, additional costs would be borne by the affected property owners.

OPTION 1. Conforming roadway with nonconforming right-of-way

This option is to build a 20 foot wide roadway to Town standards. This includes de-mucking, stabilized base, roadway to meet CBWCD criteria, paved surface, and fire department safety and access needs.

The associated improvements are anticipated to cost the following:

Ref #	Activity	Cost
1	Mobilization	6,000
2	Traffic Maintenance	3,600
3	Bridge Demolition	19,200
4	Box Culvert	26,400
5	Endwalls	14,400
6	Standpipe Well (Fire hydrants)	24,000
7	Stabilized Fill (Type B)	16,800
8	Lime Rock (8")	84,000
9	Asphalt (1-1/2")	42,000
10	Pavement Striping & Signs	7,200
11	Road Elevation to Code*	35,000
12	Electrical Box Relocation	500
13	Fence Relocation	15,000
14	Tree Removal	9,000
15	"T" Turnaround	15,000
16	Electric Gate Relocation	6,000
	<i>SubTotal</i>	<i>324,100</i>
19	Bonds	4,862
20	Design Fees	48,000
21	Contractor Overhead & Profit (15%)	48,615
22	Bid Contingency (10%)	32,410
23	Legal Fees (Documents, etc.)	3,000
24	FPL Pole Relocation	20,000
	<i>Total</i>	<i>480,987</i>

* Based upon use of Van Kirk fill. The market price is estimated at \$122,400.

OPTION 2. Nonconforming roadway with nonconforming right-of-way

This option is identical to Option 1, except the roadway elevation is not improved to meet current CBWCD requirements.

The associated improvements are anticipated to cost the following:

Ref #	Activity	Cost
1	Mobilization	6,000
2	Traffic Maintenance	3,600
3	Bridge Demolition	19,200
4	Box Culvert	26,400
5	Endwalls	14,400
6	Standpipe Well (Fire hydrants)	24,000
7	Stabilized Fill (Type B)	16,800
8	Lime Rock (8")	84,000
9	Electrical Box Relocation	500
10	Fence Relocation	15,000
11	Tree Removal	9,000
12	"T" Turnaround	15,000
13	Electric Gate Relocation	6,000
14	Asphalt (1-1/2")	42,000
15	Pavement Striping & Signs	7,200
	<i>SubTotal</i>	<i>289,100</i>
16	Bonds	3,599
17	Design Fees	25,000
18	Contractor Overhead & Profit (15%)	35,985
19	Bid Contingency (10%)	23,990
20	FPL Pole Relocation	20,000
21	Legal Fees (Documents, etc.)	3,000
	<i>Total</i>	<i>433,712</i>

OPTION 3: Correcting fire/public safety deficiencies through public/private funding

This option recognizes the private ownership of the existing roadway. The costs are split between those improvements occurring within public right of way and/or dedicated easements and those under private ownership. The costs for this roadway include stabilizing the roadway to the full 20 feet width. No additional improvements are required, as the roadway remains private.

The associated improvements are anticipated to cost the following:

PUBLIC INFRASTRUCTURE IMPROVEMENTS

Ref #	Activity	Cost
1	Mobilization	3,000
2	Traffic Maintenance	3,600
3	Bridge Demolition	19,200
4	Box Culvert	26,400
5	Endwalls	14,400
6	Bonds	216
	<i>Subtotal</i>	<i>66,816</i>
7	Design Fees	10,000
8	Contractor Overhead & Profit (15%)	10,022
9	Bid Contingency (10%)	6,682
10	Legal Fees (Documents, etc.)	1,000
11	Standpipe Well (Fire hydrants)	24,000
	<i>Public Infrastructure Costs</i>	<i>118,520</i>

PRIVATE INFRASTRUCTURE IMPROVEMENTS

Ref #	Activity	Cost
1	Stabilized Fill (Type B)	8,400
2	Lime Rock (8")	42,000
3	Electrical Box Relocation	500
4	Fence Removal	3,000
5	Tree Removal	9,000
6	"T" Turnaround	12,000
7	Electric Gate Relocation	6,000
	<i>SubTotal</i>	<i>80,900</i>
8	Bonds	1,294
9	Design Fees	10,000
10	Contractor Overhead & Profit (15%)	12,135
11	Bid Contingency (10%)	8,090
12	Legal Fees (Documents, etc.)	2,000

13	FPL Pole Relocation	20,000
	<i>Private Infrastructure Cost</i>	134,419

This roadway remains unpaved, and repair shall be borne by the owner of the roadway.

STAFF RECOMMENDATION:

Staff recommends either Option #1 or Option #3. Option #1 meets minimum road standards and all of public safety's concerns. Option #3 may be viable as the costs are reduced since the roadway remains private and the costs are borne by the property owner or other funding sources that the property owner/applicant may obtain. The necessary public improvements within public right-of-way can be shared by the affected property owners either through Special Assessment or from the General Revenue.

Pre-approval Engineering Report

For SW 13th Street between 12400 Block and 12700 Block in Davie, Florida

In compliance with the town's land development code, section 12-292 (D) the following Engineering Analysis shall be performed by the Town Engineering Division.

3. A pre-approval engineering inspection shall be required to be performed by the Town Engineer or its designee.
4. An alternative route analysis may be conducted by the Town Engineer

Land Description:

A 20 ft strip of land is owned by Rodriguez Family Holdings along SW 13th Street from existing culvert crossing to their eastern property line. A small portion of that strip, approximately 250 ft from the Flamingo Road's west right-of-way line is only 10 ft in width.

1. Pre-approval engineering inspection

The Town Engineering Staff have performed a site inspection on Tuesday October 23, 2007.

1.1. Existing Site Conditions.

- a) Currently the only available access to Rodriguez's residence is SW 13th Street which connects to Flamingo Rd. There are 11 residential homes and two vacant lots that have been served by this access-way to their properties through a 13 ft wide culvert crossing at the Flamingo Road and SW 13th Street intersection. Recently, approximately three inches loosely compacted asphalt aggregates have been laid on top of the existing access-way. The width of the asphalt access-way varies from 10 feet to 12 feet.
- b) The new asphalt aggregates may support localized traffic. The composition of the sub-base of the access-way is unknown. The current roadway conditions limit two vehicles from safely traversing along the same paved surface. One vehicle is required to pull off the access way while the other vehicle passes. In some of the areas there is no safe area to pull aside. The culvert to access SW 13th Street only allows one vehicle to enter/exit site at any give time. This causes a circulation issue along Flamingo Road, if entering vehicle must stop to allow existing vehicle to exit through the shared culvert crossing. The current access-way does not have a storm sewer system in place. The adjacent properties along the access way do not have a defined swale system. The storm water runoff sheet flows from access-way onto adjacent properties. The existing access-way does not meet the town roadway engineering standards.

c) Referenced Code of Ordinances:

Town of Davie Land Development Code, Section 12-292 specifies the standard design of a roadway.

1.2. Emergency Response Assessment.

There is not a turn around area for fire trucks. Two speed bumps have been also installed with new asphalt aggregate course on the existing access-way. There is no fire hydrant located within development..

Re: 12000 block of SW 13th Street in Davie, Florida

Dear Mark:

This Firm represents Rodriguez Family Holdings Inc, the owner of the above referenced segment of SW 13th Street. We also represent MPC Management, Corp, the owner of the Rodriguez lands referenced herein, and finally, we represent the Rodriguez family.

We are writing to you for the purpose of petitioning the Town Council of the Town of Davie to enact an ordinance pursuant to recently amended Section 12-292(D) of the Town's Land Development Regulations so as to have the continued use of an existing non-conforming vehicle access way, commonly known as the 12000 block of SW13th Street.

With respect to this Petition, please recall that some of the Ordinance' numbered items must be addressed by Staff. We have addressed the items we can below. We understand that when the Staff completes the proposed Staff report, we will meet and pick the dates of the Town Council Meeting for purposes of the notice requirement for the hearing. The Form of the Petition and the Notice requirement I think the Town Staff may want us to use in the mailing is attached as Exhibit "A". We need to know whether you want us to use a different form.

We address the Ordinance requirements, as follows:

1. Number of Affected residential lots or units currently serviced:

The Property that is serviced by the existing non-conforming vehicular access way is legally described as follows (in that these are adjacent to the existing non-conforming vehicular access way or at its end):

Mark, I will be out of the Country next week. I will return on October 15, 2007. Let's get together then, finalize everything, and finish this item. Dan Stallone, you should know, has been very helpful in assisting with this process, and we appreciate your help too. As indicated in our meeting, I've also enclosed a proposed Ordinance for you to consider using in connection with this application.

Very Truly Yours,

Petition To The Davie Town Council

We who have signed below use a dirt road known as the 12000 block of SW 13th Street to access our homes. We are informed that Davie's regulations will not allow us to use SW 13th Street as a driveway or roadway because it is not built to the Town's standards. We wish to continue to be able to use SW 13th Street to access our homes, without being in violation of Davie's regulations, just as we have done in the past and are doing today. We understand that the Town Council will consider this topic at its Meeting of _____, ___, 2007.

**NON-EXCLUSIVE EASEMENT
TO THE TOWN OF DAVIE FOR GOVERNMENTAL SERVICES**

This Declaration and Grant of Easement for Governmental Services made this _____ day of September, 2006, by RODRIGUEZ FAMILY HOLDINGS, INC.

WHEREAS, the Grantor, RODRIGUEZ FAMILY HOLDINGS, INC, received a conveyance of the Exhibit "A" Property which has been recorded at Broward County Official Records Book 39987 at Page 401; and

WHEREAS, the Grantee, the Town of Davie, has requested this easement as a condition of the issuance of building permits for the Exhibit "B" Property and in order to service the real property described in Exhibit "B" and "C" hereto, until such time a Davie has obtained a sufficient right of way to make SW 13th Street a Standard Two Lane Rural Residential Street, at which time the Exhibit "A" Property Owner shall convey to Davie the Exhibit "A" Property by Special Warranty Deed; and,

WHEREAS, the Exhibit "B" Property is owned by MPC MANAGEMENT CORP., a Florida Corporation; and,

WHEREAS, the Exhibit "C" Property is not owned by either MPC MANAGEMENT CORP. or by or RODRIGUEZ FAMILY HOLDINGS, INC; and,

WHEREAS, the Exhibit "A" Property is currently an unimproved dirt driveway known as SW 13th Street that is approximately twenty feet (20') wide, and thus is too narrow at the present time to meet the forty foot (40') wide right of way requirement for a Standard Two Lane Rural Residential Street, but which may continue to be used as a private driveway; and,

WHEREAS, contemporaneous with the granting of this Non-Exclusive Easement for Government Services, the Grantor is also recording a Non-Exclusive Ingress/Egress License and Covenant to Convey the Exhibit "A" Property to the Town of Davie;

NOW, THEREFORE, IN WITNESSETH OF THE FOREGOING:

1. RODRIGUEZ FAMILY HOLDINGS, INC. does hereby grant, bargain, and quitclaim to the TOWN OF DAVIE, FLORIDA, a Florida Municipal Corporation a non-exclusive ingress and egress easement over and upon the Exhibit "A" Property for governmental service purposes, including but not limited to providing fire suppression

and prevention services, emergency medical treatment and transport services, disaster response and recovery services, police protection services, solid waste collection services, mail delivery, and code enforcement or building inspection services.

2. Although this Easement does indirectly benefit the Exhibit "C" Property, neither the owners nor the invitees of the Exhibit "C" Property shall have any rights, claims or legally enforceable interest against Davie or the Grantor, or their respective successors and assigns, by reason of or arising under this easement. This Easement may be amended by an Amendment to Easement between the Owner of the Exhibit "A" Property and the Town of Davie, which shall require the written consent of the Owner(s) of the Exhibit "B" Property but which shall not require the written consent of the Owners of the Exhibit "C" Property. This Easement may be released by the Town of Davie executing a Release of Easement, which shall require the written consent of the Owner(s) of the Exhibit "B" Property but which shall not require the written consent of the Owners of the Exhibit "C" Property. This Easement shall terminate automatically upon the Exhibit "A" Property becoming Public Right of Way.

3. No warranties of title, specifications, or fitness for a particular purpose are made by the Grantor or by Davie with respect to this License or the driveway improvements. Neither Davie nor the Grantor warrant or represent that the Exhibit "A" Property is solely sufficient to provide access to all or any portion of the Exhibit "C" Property. Neither the Grantor nor Davie shall be required to maintain the Exhibit "A" Property.

4. This Non-Exclusive Easement to the Town of Davie for Government Services shall not be construed with regard to any presumption or other rule of law requiring construction against the party or parties causing same to be drafted.

IN WITNESS WHEREOF, RODRIGUEZ FAMILY HOLDINGS, INC., has caused this Easement to be executed and its corporate seal to be hereunto affixed, by its proper officer thereunto duly authorized, the day and year first above written.

NON-EXCLUSIVE INGRESS/EGRESS LICENSE AND COVENANT TO CONVEY TO TOWN OF DAVIE

This Declaration and Grant of Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie (herein, the "License") made this ___ day of May, 2007.

WHEREAS, the Grantor, RODRIGUEZ FAMILY HOLDINGS, INC., received a conveyance of the Exhibit "A" Property which has been recorded at Broward County Official Records Book 39987 at Page 401; and,

WHEREAS, use of the Exhibit "A" Property for access to the Exhibit "B" Property and Exhibit "C" Property has been informally permissive over the years such that prescriptive rights or adverse possessory rights likely have never ripened in favor of the owners of the Exhibit "B" Property or the Exhibit "C" Property; and,

WHEREAS, the property described in Exhibits "A", "B", and "C" were located within the corporate limits of the Town of Davie prior to the enactment of Ch. 2005-214, Laws of Florida, such that prior to such law, a statutory way of necessity did not exist pursuant to Subsection 704.01(2), Florida Statutes, over the Exhibit "A" Property in favor of the owners of the Exhibit "B" Property or the Exhibit "C" Property; and,

WHEREAS, the Exhibit "B" Property and Exhibit "C" Property have been improved to their current extent largely before the enactment of Ch. 2005-214, Laws of Florida, and thus, without such statutory right being available; and,

WHEREAS, it is likewise unclear whether a common law right and easement of necessity would exist in favor of one, some, or all owners of the Exhibit "B" Property or the Exhibit "C" Property to use the Exhibit "A" Property given: (1) the doctrinal limits of such common law right, (2) the different chains of title of such owners that are affected, (3) the existence of a public right of way being located on the Florida Fruit Lands Company Subdivision No. 1 along the South Boundary of Tract 55, which right of way does not reflect an intervening canal between the right of way and such property (as is the case with the right of way along the East lines of Tracts 55 and 56), (4) the existence of a Tax Deed No. 11084, dated June 1, 1975 and recorded in Broward County Official Records Book 8639 at Page 184 conveying the Exhibit "A" Property (which reflects that the owners of the Exhibit "B" Property and the Exhibit "C" Property at the time did not seek to protect or preserve whatever common law rights they may have enjoyed in the Exhibit "A" Property by buying such Exhibit "A" Property at the duly advertised tax sale auction so as to prevent the possible nullification of any common law rights enjoyed by the operation of Section 197.552, Florida Statutes), and (5), other facts and circumstances not identified above; and,

WHEREAS, the Town of Davie has allowed the continued use of SW 13th Street as a non conforming vehicle access way; and,

WHEREAS, the Exhibit "A" Property owner wishes to confirm for the benefit of the owners of the Exhibit "B" Property and the Exhibit "C" Property that the Exhibit "A" Property may continue to be used for ingress and egress, in a manner as approved by Ordinance No. _____ of the Town of Davie, so as to avoid any attendant need for an expensive and uncertain judicial determination of whether and to what extent statutory or common law ingress and egress easements may exist over the Exhibit "A" Property, or the Exhibit "B" Property, or the Exhibit "C" Property, or some combination of the foregoing; and,

WHEREAS, the Exhibit "A" Property is currently an unimproved (20') twenty foot more or less wide dirt driveway known as SW 13th Street that is too narrow at the present time to meet the Town of Davie's Standard Two Lane Rural Residential Street Requirements, but which may continue to be used as a nonconforming vehicle access way pursuant to Ordinance No. _____ of the Town of Davie; and,

WHEREAS, the Town of Davie, has requested this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie as a condition of the issuance of building permits on the Exhibit "B" Property and in order to allow record legal access to the real property described in Exhibit "B" and "C" hereto, by the owners and invitees thereof, until such time as Davie has obtained the minimum right of way corridor necessary to make SW 13th Street a Standard Two Lane Rural Residential Street -- at which time the Exhibit "A" Owner shall convey to Davie the Exhibit "A" Property by Special Warranty Deed; and,

WHEREAS, the Town of Davie will require further additional right of way from the owners of the Exhibit "C" Property to service the neighborhood when, as, and if they further improve their lands; and,

WHEREAS, the Exhibit "B" Property is owned by MPC MANAGEMENT CORP., a Florida Corporation; and,

WHEREAS, the Exhibit "C" Property is not owned by either MPC MANAGEMENT CORP. or by or RODRIGUEZ FAMILY HOLDINGS, INC; and,

WHEREAS, contemporaneous with the granting of this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie, the Grantor is also conveying a Nonexclusive Easement over the Exhibit "A" Property to the Town of Davie for Governmental Purposes;

NOW, THEREFORE, IN WITNESSETH OF THE FOREGOING THE TOWN OF DAVIE AND THE GRANTOR AGREE AND DECLARE AS FOLLOWS:

1. The Town of Davie will continue to obtain additional road right of way from each owner of the Exhibit "C" Property, if and as necessary, when such owner submits plans for building permits for improvements, so that additional road right of way is secured as quickly as possible which is adequate to meet the Standard Two Lane Rural Residential Street Requirements for SW 13th Street. No later than the date that the Town has obtained all of such additional right of way, it shall request a conveyance of the Exhibit "A" Property by Special Warranty Deed from its then owner(s).
2. Rodriguez Family Holdings, Inc. agrees, for itself and its successors and assigns, as the owner of the Exhibit "A" Property, to convey by Special Warranty Deed to Davie

the Exhibit "A" Property whenever the Town Administrator of Davie requests; provided however, the request by Davie shall be no later than the date Davie obtains sufficient right of way to enable SW 13th Street to meet the Standard Two Lane Rural Residential Street Requirements. This Covenant to Convey shall run with and touch upon the title of the Exhibit "A" Property.

3. Until such point in time that Davie obtains the additional right of way to meet the minimum right of way requirements to make SW 13th Street a Standard Two Lane Rural Residential Street, or until this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie is terminated, RODRIGUEZ FAMILY HOLDINGS, INC. does hereby, without requiring monetary compensation, grant, bargain, and quitclaim to the owners of the Exhibit "C" Property, and their invitees a non-exclusive ingress and egress license over and upon the Exhibit "A" Property to access the Exhibit "C" Property in the physical condition the Exhibit "C" Property was in as of January 01, 2006. The Town of Davie shall advise the owner(s) of the Exhibit "A" Property when it is ready to issue building permits to any owner of any of the Exhibit "C" Property so that an Acknowledgement can be executed by the Exhibit "A" Property owner to allow access rights over the Exhibit "A" Property in favor of such then proposed-to-be-improved Exhibit "C" Property owner to continue. The owner(s) of the Exhibit "A" Property shall execute and deliver the Acknowledgement to the Town of Davie without requiring payment of any monetary compensation from any one parcel described in such benefiting Exhibit "C" Property in excess of \$3,000, and without delay, once being requested to do so by the Town of Davie. The Town of Davie shall then give the Acknowledgement to the benefiting Exhibit "C" Property owner, once the Town approves the delivery of same, for the benefiting Exhibit "C" Property owner to record in the Broward County Real Property records. The Town of Davie shall provide notice by certified mail to RODRIGUEZ FAMILY HOLDINGS, INC. of any proposed building permits it issues for any of the Exhibit "C" Property, such notice being sent to the attention of Steven Rodriguez and sent to the corporation's address of 7900 Nova Drive, Suite 201, Davie, Florida, 33324, or to such other address as is designated by the corporation in writing and delivered to the Town Administrator of Davie. The notice shall identify the building permit number, the legal description of the property, and the property's record title owners. The Town of Davie may delay delivering the Acknowledgement, if it determines appropriate, until the time as such benefiting Exhibit "C" Property owner has made an acceptable provision for the conveyance to the Town of any necessary additional right of way for SW 13th Street.

4. RODRIGUEZ FAMILY HOLDINGS, INC. does hereby, grant, bargain, and quitclaim to the owners of the Exhibit "B" Property and their invitees a non-exclusive ingress and egress license over and upon the Exhibit "A" Property to access the Exhibit "B" Property.

5. Although this License does benefit the Exhibit "C" Property, neither the owners nor the invitees of the Exhibit "C" Property shall have any rights, claims, or legally enforceable interest against Davie or the Grantor or their successors or assigns by reason of or arising under this License, except to use the Exhibit "A" Property in accordance with the terms hereof for purposes of access towards the Exhibit "C" Property; provided however, that such access is limited to the physical condition the Exhibit "C" Property as of the date this License was recorded, and such access rights shall not include access to any Exhibit "C" Property as improved after the date this License is recorded unless an additional Acknowledgment therefore is received as described in the foregoing Paragraph.

6. This License may be amended by an Amendment between the owner of the Exhibit "A" Property and the Town of Davie, which shall require the written consent of

the owner(s) of the Exhibit "B" Property but which shall not require the written consent of the owners of the Exhibit "C" Property. This License may be terminated by the Town of Davie executing a Release of License, which shall require the written consent of the owner(s) of the Exhibit "B" Property but which shall not require the written consent of the owners of the Exhibit "C" Property. This License shall terminate automatically upon the Exhibit "A" Property becoming Public Right of Way. The owner of the Exhibit "A" Property can not revoke this License.

7. No warranties of title, specifications, or fitness for a particular purpose are made by the Grantor or by Davie, or by their successors and assigns, with respect to this Non-Exclusive Ingress/Egress License and Covenant to Convey to the Town of Davie, or with respect to the condition of the Exhibit "A" Property, or with respect to whether the Exhibit "A" Property is safe or appropriate for use for vehicles, pedestrians, equestrians, or cyclists. Neither Davie nor the Grantor warrant or represent that the Exhibit "A" Property is solely sufficient to provide access to all or any portion of the Exhibit "C" Property. The Exhibit "A" Property is licensed "AS IS" and "WITH ALL FAULTS", and its use by the Exhibit "B" Property owners and Exhibit "C" Property owners shall be at such owners' risk and peril as long as this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall remain in effect. Neither the Grantor nor Davie shall be required to maintain the Exhibit "A" Property. The owners of the Exhibit "A" Property may install a minimal amount of road rock (such that significant pot holes are filled) and a minimal amount of pavement (1/2"), so that at least until Davie accepts the right of way as a public road, it remains in a dust resistant condition.

8. In the event Davie imposes any future special assessments, impact fees, or other charge or expense whatsoever (except ad valorem taxes) on the Exhibit "B" Property (herein "assessments") that relate to the acquisition or improvement or maintenance of right of way to service, or which is determined to benefit, the Exhibit "B" Property or the Exhibit "C" Property, or both, (including but not limited to SW 13th Street, and including the improvement, replacement, or maintenance, or both, of the culvert/bridge connecting SW 13th Street to Flamingo Road or median cuts or turn lanes or both within Flamingo Road determined in the future to be appropriate to service SW 13th Street), then the Exhibit "B" Property shall be entitled to a cumulative reduction of such assessments equal to the sum of: (1) the present value of designing, permitting, or installing any improvements to the Exhibit "A" Property, as well as the cost of any maintenance of the Exhibit "A" Property [determined by indexing such costs or contributions annually on October 1st of each calendar year (commencing October 1, 2007) in accordance with the latest published Engineering News Record Construction Cost Index as published by McGraw Hill Publishers (or if such index is no longer published such other alternative construction cost index as is approved by the Town and the Exhibit "B" Property owner), and (2) the value of the Exhibit "A" Property to be conveyed to Davie [determined by the Property Appraiser's then most recent assessed valuation of the Exhibit "A" Property or an appraisal if the property is not carried on the tax roll with a current valuation, as increased by the cumulative costs of insurance and other ownership expenses related to the private ownership period of such roadway section, and by ad valorem and non ad valorem taxes and assessments paid for such Exhibit "A" Property, commencing with those levied effective January 1, 2006].

9. The owners of the Exhibit "C" Property, and their successors and assigns, by using the Exhibit "A" Property, thereby remise, release, acquit, satisfy, and forever discharge the Town [and its elected and appointed officers, its employees, and its attorneys, and all of their successors, heirs, personal representatives, devisees, and assigns] (hereinafter referred to as the "Town"), and Rodriguez Family Holdings, Inc [and its shareholders, officers, employees, attorneys, and affiliates, including, MPC Management Corp., Steven

S. Rodriguez, David A. Rodriguez, Connie Rodriguez, and Kimberly Kemper, and their successors, heirs, personal representatives, devisees, and assigns] (hereafter referred to as "Rodriguez") of and from any and all manner of action and actions, claims, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, damages (both compensatory and punitive), contracts, controversies, agreements, promises, variances, trespasses, judgments, executions, claims and demands (including any and all damages, expenses, attorneys' fees, costs or losses sought or claimed), in law or in equity, in whatever name or nature, for bodily injury, sickness, disease or death, or injury to personal property (including the loss of use there from) based in tort (including based upon alleged negligent, reckless, or intentional acts or omissions of the Town or Rodriguez, or both), in contract, by statute, by code, by ordinance, or by conduct of the Town, Rodriguez, or both, or by some or all of the foregoing, past or present, and in any manner arisen, arising or growing out of, or which in any way arises out of or could have arisen out of, or relates to or could relate to, or in any way pertains to the use or continued use of the Exhibit "A" Property during the period of time such property is not owned by the Town of Davie.

The owners of the Exhibit "C" Property, and their successors and assigns, by using the Exhibit "A" Property, thereby agree to hold the Town and Rodriguez harmless from and against all manner of action and actions, claims, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, damages (both compensatory and punitive), contracts, controversies, agreements, promises, variances, trespasses, judgments, executions, claims and demands (including any and all damages, expenses, attorneys' fees, costs or losses sought or claimed), in law or in equity, in whatever name or nature, for bodily injury, sickness, disease or death, or injury to personal property (including the loss of use there from) based in tort, in contract, in property, by statute, by code, by ordinance, or by conduct of the Town, Rodriguez, or both, or by some or all of the foregoing, past or present, and in any manner arisen, arising or growing out of, or which in any way arises out of or could have arisen out of, or relates to or could relate to, or in any way in the future pertain to:

(i) persons being permitted to use the Exhibit "A" Property for ingress and egress to the Exhibit "B" Property, regardless of whether or not such persons are invitees, as long as this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall remain in effect, or,

(ii) the use and continued use of the Exhibit "A" Property while it remains in a condition that does not comply with all of the Town's typical standards for public roads or private driveways and as long as this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall remain in effect, or,

(iii) both (i) and (ii) above.

10. The owners of the Exhibit "B" Property, and their successors and assigns, by using the Exhibit "A" Property, thereby remise, release, acquit, satisfy, and forever discharge the Town [and its elected and appointed officers, its employees, and its attorneys, and all of their successors, heirs, personal representatives, devisees, and assigns] (hereinafter referred to as the "Town"), and Rodriguez Family Holdings, Inc

[and its shareholders, officers, employees, attorneys, and affiliates, including, MPC Management Corp., Steven S. Rodriguez, David A. Rodriguez, Connie Rodriguez, and Kimberly Kemper, and their successors, heirs, personal representatives, devisees, and assigns] (hereafter referred to as "Rodriguez") of and from any and all manner of action and actions, claims, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, damages (both compensatory and punitive), contracts, controversies, agreements, promises, variances, trespasses, judgments, executions, claims and demands (including any and all damages, expenses, attorneys' fees, costs or losses sought or claimed), in law or in equity, in whatever name or nature, for bodily injury, sickness, disease or death, or injury to personal property (including the loss of use there from) based in tort (including based upon alleged negligent, reckless, or intentional acts or omissions of the Town or Rodriguez, or both), in contract, in property, by statute, by code, by ordinance, or by conduct of the Town, Rodriguez, or both, or by some or all of the foregoing, past or present, and in any manner arisen, arising or growing out of, or which in any way arises out of or could have arisen out of, or relates to or could relate to, or in any way pertains to the use or continued use of the Exhibit "A" Property during the period of time such property is not owned by the Town of Davie.

The owners of the Exhibit "B" Property, and their successors and assigns, by using the Exhibit "A" Property, thereby agree to hold the Town and Rodriguez harmless from and against all manner of action and actions, claims, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, damages (both compensatory and punitive), contracts, controversies, agreements, promises, variances, trespasses, judgments, executions, claims and demands (including any and all damages, expenses, attorneys' fees, costs or losses sought or claimed), in law or in equity, in whatever name or nature, for bodily injury, sickness, disease or death, or injury to personal property (including the loss of use there from) based in tort, in contract, in property, by statute, by code, by ordinance, or by conduct of the Town, Rodriguez, or both, or by some or all of the foregoing, past or present, and in any manner arisen, arising or growing out of, or which in any way arises out of or could have arisen out of, or relates to or could relate to, or in any way in the future pertain to:

(i) persons being permitted to use the Exhibit "A" Property for ingress and egress to the Exhibit "B" Property, regardless of whether or not such persons are invitees, as long as this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall remain in effect, or,

(ii) the use and continued use of the Exhibit "A" Property while it remains in a condition that does not comply with all of the Town's typical standards for public roads or private driveways and as long as this Nonexclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall remain in effect, or,

(iii) both (i) and (ii) above.

11. This Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie shall not be construed with regard to any presumption or other rule of law requiring construction against the party or parties causing same to be drafted.

12. The Town of Davie agrees that the granting of this Non-Exclusive Ingress/Egress License and Covenant to Convey to the Town of Davie, together with the granting of the Nonexclusive Easement to the Town of Davie for Governmental Purposes, together with the contribution in aid of construction described in paragraph 2 above, shall be in satisfaction of any future right of way dedication requirements or right of way conveyance requirements that might ever be imposed or requested as a condition of the Town issuing Building Permits for any existing or additional improvements on the Exhibit "B" Property.

13. The legal obligations of Paragraphs 10 and 11 will be required as part of the consideration for the Exhibit "A" owners for allowing the use of the Exhibit "A" Property while this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie is in effect.

14. This Non-Exclusive Ingress/Egress License and Covenant to Convey shall benefit the owners, and their successors and assigns, of the Exhibit "B" Property and Exhibit "C" Property, in accordance with the terms hereof.

15. Should any section, paragraph, sentence, clause, phrase, or other part of this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie be declared by a Court of competent jurisdiction to be invalid or unenforceable, such decision shall not affect the validity of this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie as a whole, or any portion or part thereof, other than the part so declared to be invalid or unenforceable. If, however, the part determined to be invalid or unenforceable materially affects the performance of the parties, or materially impacts the parties expectations or positions with respect to this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie, the parties agree in good faith to attempt to modify this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie in some fashion so as to, as near as possible, place the parties in the same position they were in, viz-a-vie their intent, performance expectations, and economic position. If, after such good faith negotiations, no modification is reached, then either party may cancel this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie.

16. Paragraphs 7, 8, 9, 10, 11, and 12 shall survive the expiration or termination of this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie.

IN WITNESS WHEREOF, Rodriguez Family Holdings, Inc. and the Town of Davie has caused this Non-Exclusive Ingress/Egress License and Covenant to Convey to Town of Davie to be executed and their corporate seals to be hereunto affixed, by its proper officer thereunto duly authorized, the day and year first above written.

ORDINANCE NO. 2007-28

AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, AMENDING THE TOWN OF DAVIE, FLORIDA CODE OF ORDINANCES BY SPECIFICALLY AMENDING CHAPTER 12, SECTION 12-292 ENTITLED "STREET STANDARDS" BY AMENDING SECTION 12-292 (D) TO PROVIDE FOR A PROCEDURE TO OBTAIN APPROVAL FOR EXISTING NONCONFORMING VEHICULAR ACCESSWAYS; BY CREATING A DEFINITION FOR "EXISTING NONCONFORMING VEHICULAR ACCESSWAYS" TO BE INCLUDED IN CHAPTER 12, SECTION 12-503, DEFINITIONS; PROVIDING FOR INCLUSION IN THE TOWN CODE; PROVIDING FOR CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Town Council of the Town of Davie deems it appropriate to amend the Code of Ordinances to provide a procedure whereby existing nonconforming vehicular accessways may be used for such public or private purposes necessary until compliance with applicable Town standards shall be achieved and to apply certain restrictions upon such existing nonconforming vehicular accessways; and

WHEREAS, the Town Council expresses its intent through the enactment of this ordinance to preserve and maintain the unique lifestyle enjoyed by the residents of Davie.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA.

SECTION 1. The foregoing "Whereas" clause is hereby ratified and confirmed as being true and correct and is incorporated herein by this reference.

SECTION 2. Chapter 12 entitled "Land Development Code" of the Code of Ordinances of the Town of Davie, be, and the same is hereby amended by creating Section. 12-292 (D); and creating within Section 12-503, Definitions, the following definition of an "existing nonconforming vehicular accessway" to read as follows:

Section. 12-503, Definitions: "Existing nonconforming vehicular accessway" shall be defined as "a way intended for vehicular traffic, whereby ingress and egress to and from lots or units shall be achieved over and upon a common or private parcel, primarily by the owners or occupants of said lots or units, but which may also be used to facilitate the entry thereupon of necessary public service and emergency vehicles."

Section. 12-292 (D) An "existing nonconforming vehicular accessway" may gain Town Council approval by following the procedures found herein and meeting the applicable prerequisites and conditions imposed thereby:

1. An "existing nonconforming vehicular accessway" shall be defined as found in section 12-503, Definitions;
2. The use of such an "existing nonconforming vehicular accessway" does not in its present state conform to the existing code requirements imposed under section 12-292(B), 12-292(C), 12-288 or any other applicable town code sections;
3. The "existing nonconforming vehicular accessway" was in use by resident(s) prior to the passage of the existing code restrictions applicable thereto;
4. The affected residents petitioner shall submit to the Town Council through its designee a petition request, upon a form to be provided by the town, and a copy of the petition request shall be sent and signed via certified mail with return receipt card to by all affected residents serviced by the subject existing non-conforming vehicular accessway at the mailing address for the affected

property as may be found in the most recent Broward County Property Appraiser's records, in order to obtain relief from the applicable code regulations as provided herein;

5. Said relief shall be authorized by the Town Council, and such approval shall be in the form of an ordinance approved by a majority of the Town Council;
6. Town Council ordinance approval may include, but not be limited to the following: staff recommendations, conditions, and requirements;
7. Such conditions shall include the approval and grant of all required governmental ingress and egress easements or similar licenses or covenants that shall run with the land; said document(s) shall be recorded in the Broward County public records upon their execution by the parties, either as an individual covenant running with the land of each affected resident or when an Association of residents exist as a part of the documents and covenants applicable thereto;
8. No part of this code section shall preclude the town or its residents upon the town's approval, from initiating any further action, including but not limited to special assessment, condemnation or creation of a special improvement district as may be necessary to bring said "existing nonconforming vehicular accessway" into a conforming state with codes and standards applicable to other public roads;
- ~~9. All improvements and modifications to the "existing nonconforming vehicular accessway" required to achieve compliance with applicable road standards under the applicable town code section(s) as determined by the Town Engineer shall be completed within an amortization period of fifteen (15) years; said amortization period shall be deemed accepted upon application for the relief encompassed within this code section; said amortization period shall be tolled upon the passage of the Town Council ordinance approving the relief found herein;~~
- 10 9. In order for the Town Council to evaluate the effects of the relief found within this code section upon the health, safety and welfare of all residents affected thereby, the following minimum criteria shall be provided in a form proscribed by the Development Services Director or his designee (unless waived by the Town Council):
 - a. Number of affected residential lots or units currently serviced;
 - b. Number of potential residential lots or units that may be serviced;
 - c. Dimensions of existing nonconforming vehicular accessway (length, width, surface type, depth, etc.);
 - d. Device(s) to be executed in approved dedication of affected parcels (rights of way, easements, etc.);
 - e. Title search shall be performed and submitted to the town (said records shall provide all documentation and records comprising a diligent and reliable search for prior ownership and previously-executed documents related to the existing nonconforming vehicular accessway);
 - f. Property identification numbers, folio numbers, and tax identification numbers shall be provided for all affected real property parcels;
 - g. A pre-approval public safety inspection shall be required to be performed by the Police and Fire Department designees;
 - h. A pre-approval engineering inspection shall be required to be performed by the Town Engineer or its designee;
 - i. A pre-approval Public Works and Utility Department inspection(s) shall be required to be performed by the Public Works and Utility Department designees;
 - j. An alternative route analysis may be conducted by the Town Engineer or its designee;
 - k. All such required criteria shall be presented to the Development Services Director or his designee prior to presentation to the Town Council.

SECTION 3. All Ordinances or parts of ordinances in conflict herewith are to the extent of such conflict hereby repealed.

SECTION 4. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is, for any reason, held invalid or unconstitutional by any Court of competent jurisdiction, such

portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion of this Ordinance.

SECTION 5. This ordinance shall take effect immediately upon its passage and adoption.

**TOWN OF DAVIE
TOWN COUNCIL AGENDA REPORT**

TO: Mayor and Councilmembers

FROM/PHONE: Mark Kutney, AICP, Development Services Director

PREPARED BY: Daniel J. Stallone, Esq., Code Compliance Official

SUBJECT: ORDINANCE - Existing Nonconforming vehicular access ways

AFFECTED DISTRICT: All

ITEM REQUEST: Schedule for Council Meeting

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, AMENDING THE TOWN OF DAVIE, FLORIDA CODE OF ORDINANCES BY SPECIFICALLY AMENDING CHAPTER 12, SECTION 12-292 ENTITLED "STREET STANDARDS" BY AMENDING SECTION 12-292 (D) TO PROVIDE FOR A PROCEDURE TO OBTAIN APPROVAL FOR EXISTING NONCONFORMING VEHICULAR ACCESSWAYS; BY CREATING A DEFINITION FOR "EXISTING NONCONFORMING VEHICULAR ACCESSWAYS" TO BE INCLUDED IN CHAPTER 12, SECTION 12-503, DEFINITIONS; PROVIDING FOR INCLUSION IN THE TOWN CODE; PROVIDING FOR CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

REPORT IN BRIEF: Development Services staff is proposing a text addition and amendment to the Land Development Code that shall establish a procedure whereby existing nonconforming vehicular accessways may gain approval from the town with appropriate conditions and amortization schedules as applicable. Currently, the town code section 12-292 entitled "Street Standards" does not provide for such a procedure that will identify nonconforming vehicular accessways and provide a method to permit town approval of the same while formulating a method to achieve conformity through establishing conditions of approval and amortization.

The intent and purpose of this section is to address the existing nonconforming vehicular accessways that may serve affected residential property owners and to create a procedure that will allow for the development of vacant residential property parcels and permit the improvement of existing residential property parcels. In recognition of the nature of and existence of such nonconforming vehicular accessways, this proposed code amendment provides a method to achieve conformity to town street standards and encourage residential development along such routes.

The proposed code additions and amendments set forth definitions of the existing nonconforming vehicular accessways; establishes the procedure for town approval; and, sets minimum standards and criteria required of applicants seeking relief through this procedure in the application process applicable thereto.

Pre-approval Engineering Report

For SW 13th Street between 12400 Block and 12700 Block in Davie, Florida

In compliance with the town's land development code, section 12-292 (D) the following Engineering Analysis shall be performed by the Town Engineering Division.

1. A pre-approval engineering inspection shall be required to be performed by the Town Engineer or its designee.
2. An alternative route analysis may be conducted by the Town Engineer

Land Description:

A 20 ft strip of land is owned by Rodriguez Family Holdings along SW 13th Street from existing culvert crossing to their eastern property line. A small portion of that strip, approximately 250 ft from the Flamingo Road's west right-of-way line is only 10 ft in width.

1. Pre-approval engineering inspection

The Town Engineering Staff have performed a site inspection on Tuesday October 23, 2007.

1.1. Existing Site Conditions.

a) Currently the only available access to Rodriguez's residence is SW 13th Street which connects to Flamingo Rd. There are 11 residential homes and two vacant lots that have been served by this access-way to their properties through a 13 ft wide culvert crossing at the Flamingo Road and SW 13th Street intersection. Recently, approximately three inches loosely compacted asphalt aggregates have been laid on top of the existing access-way. The width of the asphalt access-way varies from 10 feet to 12 feet.

b) The new asphalt aggregates may support localized traffic. The composition of the sub-base of the access-way is unknown. The current roadway conditions limit two vehicles from safely traversing along the same paved surface. One vehicle is required to pull off the access way while the other vehicle passes. In some of the areas there is no safe area to pull aside. The culvert to access SW 13th Street only allows one vehicle to enter/exit site at any give time. This causes a circulation issue along Flamingo Road, if entering vehicle must stop to allow existing vehicle to exit through the shared culvert crossing. The current access-way does not have a storm sewer system in place. The adjacent properties along the access way do not have a defined swale system. The storm water runoff sheet flows from access-way onto adjacent properties. The existing access-way does not meet the town roadway engineering standards.

c) Referenced Code of Ordinances:

Town of Davie Land Development Code, Section 12-330 (a) states that all roadways must be completely compacted and stabilized with a dust free surface.

Town of Davie Land Development Code, Section 12-292 specifies the standard design of a roadway.

1.2. Emergency Response Assessment.

There is not a turn around area for fire trucks. Two speed bumps have been also installed with new asphalt aggregate course on the existing access-way. There is no fire hydrant located within development..

2. Alternative Route Analysis

Existing public road right-of way of SW 127 Avenue Road is adjacent to Rodriguez residence. It is the town engineer's opinion that SW 127th Ave may be the best alternative access for Rodriguez residence if a driveway is constructed and connected to the existing pavement.
